## WILLIAMSPORT . . . EXCEPTIONAL QUALITY WITH HISTORICAL APPEAL

Enjoy traditional 17th century craftsmanship, classic elegance and the timeless beauty of handcrafted siding without the ongoing maintenance.

### TRANSFORM YOUR HOME FROM ORDINARY TO SPECTACULAR

The elegant detail and quality construction of Williamsport Colonial Beaded Premium Vinyl Siding will give your home a distinctly upscale appearance. Featuring a gently rounded beaded ridge and brushed texture, this masterfully crafted panel conveys the perfect measure of historical character and charm in a high-performance vinyl construction that's built to last.

With design ingenuity and proven performance, Alside products have inspired exceptional home exteriors that are strikingly beautiful, ultra-durable, energy-efficient and virtually maintenance-free. When you choose Alside for your home, you can be assured of superior craftsmanship, quality and value.

### THE RIGHT CHOICE

The first step to a beautiful home comes long before a siding contractor pulls into your driveway. It starts with product development teams and manufacturing specialists at Alside, who select materials, refine designs and continuously improve production and quality control processes. All this with one goal in mind: unparalleled product quality . . . on the day of installation and for decades to come.

### MADE WITH ONLY THE VERY BEST MATERIALS

**PureStrength™ vinyl resin** gives Williamsport its basic strength and weather resistance. It prevents moisture infiltration from rain and humidity, so panels won't rot, warp, shrink or swell. The result is low-cost, easy-care maintenance.

**Ti-Shield™ titanium dioxide** prevents ultraviolet degradation, so even hot summer sun won't damage Williamsport's beautiful surface.

**StayRight™ vinyl stabilizers** also help prevent heat degradation, both during manufacturing and after installation.

**TrueShield™ impact modifiers** give Williamsport exceptional impact resistance, helping to prevent denting and dinging from routine around-the-house activities.

**DesignersChoice™ pigment concentrates** are used to produce uniform colors that go clear through Williamsport panels. You'll never have to stain or paint again, because the color won't wash away.

### QUALITY YOU CAN COUNT ON

Made to be the best. And made to last. That's what you can count on when you choose Williamsport. You have the confidence that comes when working with a company recognized and respected for its manufacturing and quality control excellence. Plus you have the assurance that comes with Alside's lifetime limited warranty.

So why choose a lesser siding? Make your first choice the best choice . . . Williamsport Colonial Beaded Vinyl Siding.

## AN ECO-FRIENDLY CHOICE

As a sustainable product with a long service life, vinyl siding is environmentally responsible in several ways. In addition to conserving wood and other natural resources often used for building materials, vinyl siding helps reduce the deposit of paint, stain and maintenance-related materials into the solid waste stream because it never needs to be painted.
